## Free computer training for adults

**MENTOR** – Make computer training a New Year's resolution. The Lake County Council on Aging and Tech Wise, LLC have partnered with Connect Ohio to bring the 'Every Citizen Online' training program to adults of Lake County. Anyone, age 18 or older, is able to take free basic computer classes at local senior centers and the Council on Aging office on computer basics, Internet basics and e-mail basics. The free computer training provided through the 'Every Citizen Online' program will help adults utilize all the Internet has to offer.

Classes are available at the Council on Aging office on the following dates and times. Classes are free. Call (440) 942-7853 to register. Space is limited to the first 12 people for each class.

### Understanding your computer (Free One-day Class)

Students will learn computer basics: how to start and properly shut down; basic functions of the mouse and keyboard; how to use windows, scroll bars and search menus; and other basic functions of Microsoft Windows.

- Friday, Jan. 11 from 1 – 3 p.m.
- Monday, Feb. 4 from 10 a.m. – 12 p.m.
- Thursday, March 14 from 10 a.m. – 12 p.m.

### Understanding the internet (Free One-day Class)

Students will gain hands-on experience to connect to the Internet, navigate around the World Wide Web, and understand search engines as well as browsers. In addition, students will learn how to download programs, search more effectively, and avoid viruses while having fun looking at all the Internet has to offer.

- Friday, Jan. 18 from 1 – 3 p.m.
- Monday, Feb. 11 from 10 a.m. – 12 p.m.
- Thursday, March 21 from 10 a.m. – 12 p.m.

### Understanding e-mail (Free One-day Class)

This class will provide hands-on experience while learning the basics of e-mail with Google's free e-mail service. Students will learn: what e-mail is; how to read, write, send, and reply to messages; how to create their own email account and address book; and how to send attachments.

- Friday, Jan. 25 from 1 – 3 p.m.
- Monday, Feb. 25 from 10 a.m. – 12 p.m.
- Thursday, March 28 from 10 a.m. – 12 p.m.

Classes for the above programs are also available at the following locations. For dates, times and registration at the follow locations, call the number next to the center.

- Eastlake JFK Center, 975-4268
- Fairport Senior Center, 354-3674
- Willoughby Senior Center, 951-2832
- Mentor Senior Center, 974-5725
- Painesville Senior Center, 352-8095
- Willoughby Hills Senior Center, 951-1826
- Willowick Senior Center, 585-5112

Ready for more? Specialized training (fee-based) is available at the Council on Aging office on working with digital cameras, housekeeping on a computer and more understanding of a computer. Call Tech Wise at 942-7853 for dates and to register. Space is limited to the first 12 people for each class.
