United Way of Lake County to start food drive

Friday, March 1, 2013

United Way of Lake County will kick off its annual spring food drive today at Great Lakes Mall.

CT Consultants, Marous Brothers Construction and Lake County Council on Aging will donate canned goods and then build food structures out of the items at noon in front of the Dillard's south store.

Feed Lake County will continue until the end of March as area companies and individuals are encouraged to run food drives and donate the items to United Way of Lake County.

Those interested in running a food drive should contact Rich Thiedemann at 440-639-1153 or Rthiedemann@uwlc.org.

In conjunction with today's grand opening of Chop It Salad Co. at the mall, free salads will be offered to customers from 10 a.m. to 9 p.m. in exchange for donations to be made to United Way of Lake County.
