'Smart Driver' program starts Oct. 7, replaces AARP Driver Safety

Monday, September 15, 2014

The course formerly known as AARP Driver Safety has a new name and a new program. Now titled "Smart Driver," it features a new workbook and new videos, both based on a researched-based curriculum.

Smart Driver instructor Dr. Larry Ellick will host the new format 10:30 a.m. to 3:30 p.m. Oct. 7 at the Lake County Council on Aging office, 8520 East Ave. in Mentor.

Course seating is limited and the class fee is \$15 for AARP members and \$ 20 for non-members. For registration, call 440-205-8111. Those interested should bring their driver's license with them to the class.
