

IMPORTANT! PLEASE READ AND SAVE

If weather or other emergency conditions such as power outages require Meals on Wheels delivery to be cancelled for the day or the Eastlake, Madison, Painesville and/or Wickliffe *Lunch Place* locations to close, the information will be available at:

Lake County Council on Aging website www.lcco.org

Lake County Council on Aging Facebook page

Lake County Council on Aging administrative office 440-205-8111

*WKYC Channel 3 or www.wkyc.com/closings

*WEWS Channel 5 or www.newsnet5.com/weather/school_closings

*You may also sign up for text alerts to your cell phone on these web sites

It is VERY important for Meals on Wheels clients to know which kitchen prepares your food. This information and the kitchen phone number is found on your monthly menu. Please pay close attention to the closure listing(s) since one or more of our locations may be affected, but not necessarily ALL kitchens within Lake County.

Agency closures may also be announced on the radio:

The nutrition site kitchen(s) will close when conditions are unsafe for food preparation or for volunteer drivers to deliver meals. We remind clients to have a supply of canned or frozen food to eat in the event of emergencies or if we are unable to deliver meals. Instructions on keeping an emergency pantry accompany this information.

Please be sure to make arrangements for someone to keep your driveway, walkway and steps cleared of snow and debris for the safety of the volunteers who deliver your meals. If volunteers cannot safely access your delivery location, they have been asked to skip the delivery for that day. They cannot risk their car becoming stuck or slipping and falling themselves.
